

**AGC of Kentucky**  
**9<sup>th</sup> ANNUAL**  
**SAFETY DAY CONFERENCE**  
**OCTOBER 18, 2017**

**Crowne Plaza, 830 Phillips Lane, Louisville KY. 40299**

Join the Associated General Contractors of Kentucky's as we provide the commercial construction industry one special day of informative workshops, exhibitors, and keynote speakers. Safety, business, and other related training at one location, in one day, at one low cost!

10 or more workshops, over 20 exhibitors, and special events will round out the day.

Workshops covering Safety and Health Topics, Professional Development, and the latest OSHA Standards will be provided by leading Safety Professionals and Professional speakers.

A special demonstration will be given on the hazards of striking underground utilities.

Owners, CEO's, Management Staff, Superintendents, Foreman, Safety and Health Professionals and associated businesses will benefit from the activities.
